LASER KITTEN IPA

STYLE AMERICAN INDIA PALE ALE
ABV 6.0%

LASER KITTEN® is an American-style IPA that arrives at a more crushable ABV than its well known counterpart, Laser Cat®. It packs plenty of Citra and Mosaic for a citrusy, fruity punch, while the body is kept extra pale, light, and dry to let those hops shine!

TASTING NOTES

Extra pale. Citrusy. Fruity. Finishes crisp and dry.
